March 2021. (6/03/2021)

1. Resumen

se ingresa a overleaf y github llevando el paso a paso para obtener las cuentas exitosamente.

overleaf, ingresa, github, obtener.

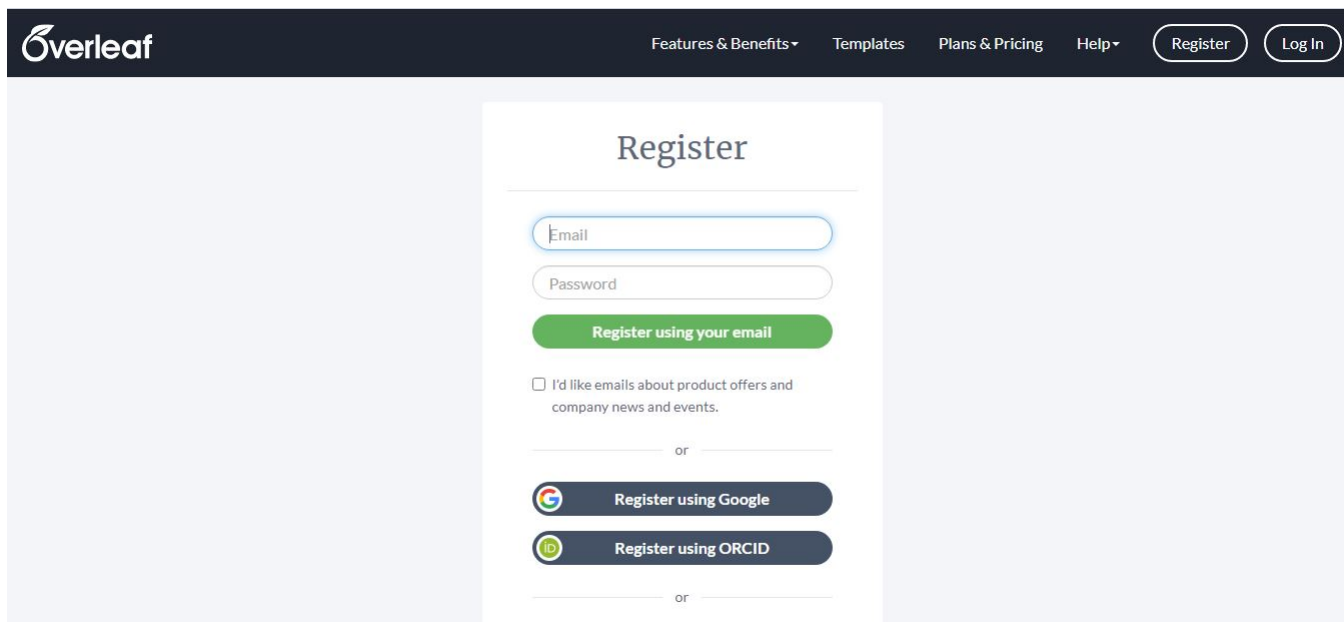

2. Objetivos

a continuacion se mostraran los objetivos de la creacion de las cuentas:

- *ingresar a la pagina overleaf y github.*
- *ingresamos a register y escribimos correo y contraseña.*
- *se ingresara a login y agregara los datos.*
- *tendremos las cuentas listas exitosamente para usar.*

3. Descripción del reporte

Paso 1: ingresamos a register en overleaf y llenamos los datos solicitados.

The image shows the Overleaf website's registration page. At the top is a dark navigation bar with the Overleaf logo on the left and links for 'Features & Benefits', 'Templates', 'Plans & Pricing', 'Help', 'Register', and 'Log In' on the right. The main content area has a light blue background. In the center is a white box titled 'Register'. Inside this box, there are two input fields: 'Email' and 'Password'. Below these is a green button labeled 'Register using your email'. Underneath the button is a checkbox with the text 'I'd like emails about product offers and company news and events.' Below the checkbox is a horizontal line with the word 'or' in the center. Under this line are two dark blue buttons: 'Register using Google' (with a Google logo icon) and 'Register using ORCID' (with an ORCID logo icon). Another horizontal line with the word 'or' is at the bottom of the registration box.

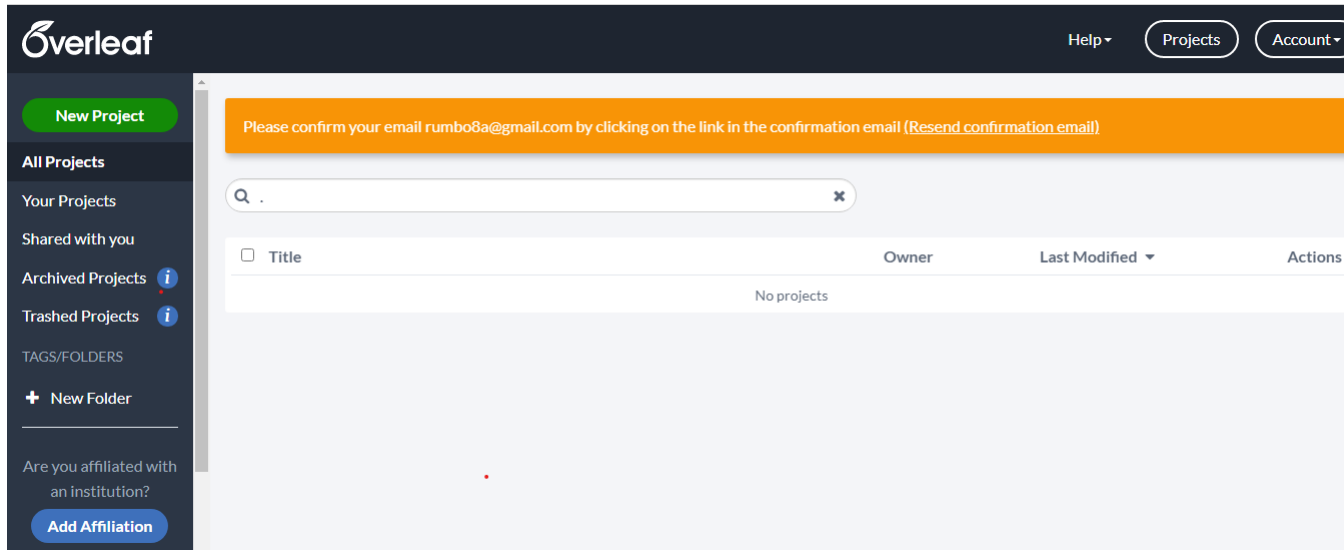

Paso 2: vamos a la parte superior y damos click en login.

The screenshot shows the Overleaf login interface. At the top is a dark navigation bar with the Overleaf logo on the left and links for 'Features & Benefits', 'Templates', 'Plans & Pricing', 'Help', 'Register', and 'Log In' on the right. The main content area has a light gray background. In the center is a white box titled 'Log in to Overleaf'. Inside this box, there are two input fields: 'Email' and 'Password'. The 'Email' field has a red error message below it that says 'Must be an email address'. The 'Password' field has a red error message below it that says 'Required'. Below these fields is a green button labeled 'Log in with your email'. Underneath the button is the word 'or'. Below 'or' are four dark blue buttons with icons and text: 'Log in with IEEE' (IEEE logo), 'Log in with Google' (Google logo), 'Log in with Twitter' (Twitter logo), and 'Log in with ORCID' (ORCID logo).

Paso 3:ingresara a login y agregara correo, contraseña y dara enter.

This screenshot shows the same Overleaf login interface as the previous one, but with the input fields filled. The 'Email' field now contains the text 'rumbo8a@gmail.com'. The 'Password' field is filled with ten black dots, indicating a masked password. The green 'Log in with your email' button remains visible below the password field. The rest of the interface, including the navigation bar and social login options, is identical to the previous screenshot.

Paso 4: siguiendo los pasos ya tendremos nuestra cuenta de overleaf funcio-
nable.

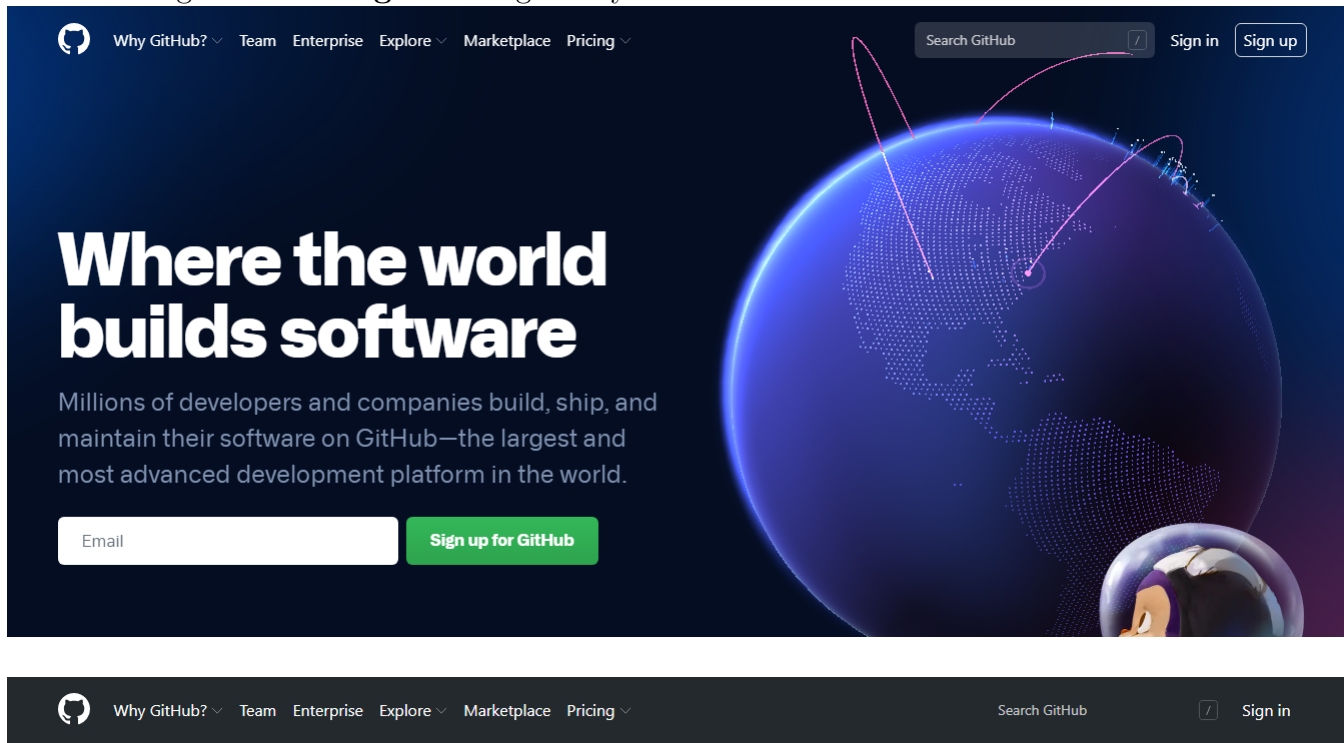

4. (COMO REGISTRARSE EN GITHUB)

5. Objetivos

- *ingresar a la pagina github.*
- *ingresamos a register y anotamos correo y contraseña.*
- *se ingresara a login y agregara los datos.*
- *tendremos las cuentas listas exitosamente para usar.*

6. Descripción del reporte

Paso 1:ingresamos a ”**sign in**” en github y llenamos los datos solicitados.

Join GitHub

Create your account
